

# AC Glass Kiosk

## DATA SHEET

**Product Name:**  
AC Glass Kiosk

**Product Category:**  
Payment Terminal

## PRODUCT OVERVIEW

The AC Glass Kiosk is a high-performance, all-in-one self-service solution ideal for modern retail, hospitality, ticketing, and unattended payment environments. Built with a 23.8-inch full HD touchscreen, integrated printer, and optional camera and barcode reader, this sleek Android- or Windows-based kiosk delivers a powerful user experience with maximum versatility.

## KEY FEATURES

### High Performance Processing

Powered by a quad-core Rockchip RK3568 Cortex-A55 processor, the kiosk delivers seamless interaction and fast processing, perfect for high-traffic environments.

### Built-In Peripheral Support

Includes a thermal printer, 2D barcode scanner, multiple USB ports, RJ45, and RS-232 connections, enabling smooth integration with payment devices.

### Designed for Reliability

Built to withstand harsh environments with operational temps from  $-10^{\circ}\text{C}$  to  $60^{\circ}\text{C}$  and a durable, compact form factor weighing just 18 kg—ready for indoor or semi-outdoor deployment.
